## **Sales Tax - License Renewal**

*Is there sales tax license renewal fee?* 

Yes. If you are renewing your license timely you are required to pay the \$16 fee. It is important to file the license renewal located in your sales tax return coupon booklet or by filing Form DR 0594 "Renewal Application for Sales Tax License." However, if you are filing for a new license under a different business name or are adding a second location you must pay the \$16 fee for that location.

You can only obtain a license for the new business or location by filing form <u>CR 0100</u> "Colorado Business Registration."

If you are adding an additional location to your existing account you do **not** have to pay the \$50 deposit. If you are opening a different business with a new account number, you must pay the \$50 deposit fee.
